(c) Marine Surveys and/or valuations shall be made only by a Qualified Marine Surveyor or by a person with not less than five years experience of marine surveying.

6. WAIVER OF SUBROGATION AGAINST EMPLOYEES: It is hereby agreed that if any payment is made under this Certificate in respect of a claim and the Underwriters are thereupon subrogated to all the Assured's rights of recovery in relation thereto the Underwriters shall not exercise any such rights against any Employee unless the claim has been brought about or contributed to by the dishonest fraudulent criminal or malicious act or omission of the Employee.

7. FRAUDULENT CLAIMS: If the Assured shall make any claim knowing the same to be false or fraudulent, as regards amount or otherwise, this Certificate shall become void and all claims thereunder shall be forfeited.

10. SPECIALIST DESIGNERS OR CONSULTANTS WARRANTY: It is hereby warranted and agreed that all fees paid to such specialist designers or consultants are declared in the fee declaration made by the Assured contained in the questionnaire, proposal or renewal declaration completed by them.

11. INNOCENT NON-DISCLOSURE: Underwriters will not exercise their right to avoid this Certificate or avoid any claim hereunder where there has been or it alleged that there has been non-disclosure of information which may give rise to a claim provided always that the Assured shall establish to Underwriters' satisfaction that such alleged event referred to above was innocent and free of any fraudulent conduct or intent to deceive.

However, notwithstanding any rights that Underwriters may waive by the inclusion of this extension, Underwriters retain the right to modify the terms and conditions and premiums pertaining to this Certificate to reflect the basis on which the Certificate would have been underwritten had they been aware of the information.

In any case where the Assured could have notified under any preceding insurance any information as defined in Claims Condition 1 and the indemnity or cover available under this Certificate is greater or wider in scope than the indemnity to which the Assured would have been entitled under any such preceding insurance (whether with the Underwriters participating on this Certificate or not)

then Underwriters participating on this Certificate shall only be liable to indemnify the Assured to the extent of the indemnity which would have been afforded by such preceding insurance.

Where the alleged non-disclosure has resulted in prejudice to the handling or settlement of any claim the indemnity afforded by this Certificate in respect of such claim (including defence costs) shall be reduced to such sum which, in Underwriters reasonable opinion, would have been payable by them in the absence of such prejudice.
